Thank you for your support of the Walpole Public Library. **Please considering joining the Friends of the Walpole Public Library if you are not already a member.** Attached is a membership form. Include your email address, if we don't already have it, so we can keep you updated on future events. You can either mail your membership form or drop it off at the library.

Last year the Library Friends sponsored 60 programs, with more than 2,100 people in attendance. We also funded several children's programs, including a noted children's author, David A. Kelly, funded by a generous contribution of the Harding Family in memory of their mother and grandmother, Eleanor Harding, first children's librarian at the Walpole Public Library, 1930-1938. We contributed to the Library in other ways such as making a major contribution for the purchase of a new state-of-art projector and screen in the Community Room.

We could not offer these diverse programs without the generous support of our members. Please consider joining the Friends. Also let us know if you have any suggestions for library programs or if you would like to volunteer to help. You will find a list of volunteer opportunities on the membership form.

Lastly, I want to acknowledge and thank our officers and board members for their commitment and for all their work in making 2016 such a success. I also want to commend Sal Genovese, Library Director, the Library staff, and the Library Trustees for their dedication to the Library.

Thank you again for your support.

Regards,

Philip F. Czachorowski
